

Sara Kuperberg-Philbrick

Associate Attorney / California Workers' Compensation Attorney

An Associate Attorney of Siegel, Moreno & Stettler, Ms. Kuperberg-Philbrick is an accomplished attorney with extensive experience in workers' compensation law, adept at managing complex caseloads and achieving favorable outcomes through strategic advocacy, meticulous legal research, and exceptional negotiation skills. Proven ability to streamline case management systems, enhance client communication, and contribute to law firm success through innovative solutions and dedicated representation.

Professional History

- Led successful defense strategies for workers' compensation claims, securing positive results through thorough case preparation, compelling negotiation, and persuasive courtroom representation.
- Spearheaded the implementation of remote case management systems to optimize efficiency and ensure seamless litigation processes across geographical constraints.
- Maintained direct and continuous communication with clients, providing expert legal guidance, strategic recommendations, and personalized advocacy to foster trust and confidence.
- Developed and drafted critical legal documents, including motions, petitions, and settlement agreements demonstrating superior analytical skills and attention to legal detail.
- Consistently met and exceeded billable requirements, maintained high success rates in disputed claims, and actively contributed to firm growth through client engagement and process improvements.
